LIVING THE DREAM

FEATURING GUEST SPEAKER

EUGENE H. ROBINSON

PULITZER PRIZE-WINNING NEWSPAPER COLUMNIST AND FORMER ASSISTANT MANAGING EDITOR FOR THE WASHINGTON POST

Eugene Robinson uses his twice-weekly column in The Washington Post to pick American society apart and then put it back together again in unexpected and revelatory new ways. To do this job of demolition and reassembly, Robinson relies on a large and varied tool kit: energy, curiosity, elegant writing and the wide-ranging experience of a life that took him from childhood in the segregated South – on what they called the “colored” side of the tracks – to the heights of American Journalism. His remarkable story telling ability has won him wide acclaim, most notably as the winner of the 2009 Pulitzer Prize for his commentary on the 2008 presidential race that resulted in the election of America’s first African-American president.
